Subject: Extension Request of Assignment

Respected Professor,

I am writing to respectfully request an extension for the Transform Techniques and Difference Equations - Assignment-3 which is currently due on 27/03/2026.

Due to 'Diarrhoea'. I am concerned that I will not be able to submit my best work by the current deadline. I am very committed to the material in **Transform Techniques and Difference Equations** and would appreciate a bit more time to complete the assignment thoroughly.

If possible, would you be open to an extension until **31st March 2026**? I am happy to provide any necessary documentation should you require it.

Thank you for your time and for considering my request.

Yours sincerely

Shoubhit Pramanick
