Subject: Summer Internship Inquiry

Respected Sir/Ma'am,

I am a **1st year** Fresher at **VIT Bhopal University** studying **BTech CSE Core**, and I am writing to express my strong interest in a summer internship with ABC Company Ltd.

I have long admired ABC Company Ltd.'s work in Advance Data Handling and Web-based services. With my background in **Python programming and Data Analysis**, I am eager to contribute to your team while further developing my own professional skills.

Attached is my resume for your review. I would welcome the opportunity to discuss how my background aligns with your team's needs this summer.

Thank you for your time and consideration.

Yours sincerely

Shoubhit Pramanick
